

## Features

### TAB802

## 22" Heavy Duty Aluminium C-Clamp Mount

This model features a C-Clamp base which enables mounting on most flat-edge tables, desks, and counters, or other flat-edged surfaces. It is lightweight, easy to carry and durable.

- Adjustable tablet holder that fits any 7"-12" tablet even with casing
- 360° rotation and 45° lateral tilt for best view
- 22" adjustable arm with C-Clamp for flat edge mounting
- 3 articulated joints and 360° rotating head for best view
- Lightweight and strong material, ideal for desk or cart mounting

Slim Grip Universal Tablet Holder allows a maximum extension up to 9" (225mm), and a minimum grip of 5.8" (145mm).
