

# The **FIRST & ONLY** Driving Recorder Series with these **Safety Features!**

Only in  
**PAPAGO!**

## Stop & Go Alert

Alert you to go when the front vehicle has moved. This will be activated when you stop driving for 10 seconds.

Only in  
**PAPAGO!**

## Light reminder

Remind you to turn on headlights when you are driving in the dark.

Only in  
**PAPAGO!**

## Driver Fatigue Alert

A timer can be set to remind the driver to rest after certain hours of driving.

## Motion Detector (required power supply)

Enter motion detection mode after 1 minute without movement. GoSafe 310 starts recording when it detects something moving within the range.

# Recording Features

## HD 1080p 30fps

GoSafe350 is using Ambarella's chip that allows it to capture videos in HD 1920 x 1080p at 30fps. The pristine recorded video will be the strong proof if any accident happens.

## 128° Wide Angle Lens

The lens of typical driving recorder is made of transparent plastic but GoSafe350's lens is composed of 5 glasses and 1 infrared filter glass, which sustain high quality recording without distortion under high temperature. 128° wide angle will cover the vision for both sides of the car.

## Mini & Compact

Features a mini size design (6x7, cm), you would hardly notice its existence. The T-type 3M buckle allows it to be easily removed and kept.

## LCD Screen (2.4")

Allow instant video playback.

## G-sensor

Automatically backup the video to avoid overwriting when it senses the sudden force on the driving recorder.

## Emergency Files Back Up

Press on the emergency button to save one minute before and after of the important scenes into separate folder and they won't be overwritten.

## Auto recording upon power on

Non-stop loop recording. Videos will be overwritten when the memory is full.

## Safety Certified Lithium Battery

No worries when GoSafe350 is operating under high temperature.

## Direct HDMI Output

High quality video output.

## Support USB 2.0

It is easy to back up the recorded videos into your computer via USB.
